

Think About It

“When we go online, we enter an environment that promotes cursory reading, hurried and distracted thinking, and superficial learning. Even as the Internet grants us easy access to vast amounts of information, it is turning us into shallower thinkers, literally changing the structure of our brains.” -Nicholas Carr, “The Web Shatters Focus, Rewires Brains” *Wired*, May 24, 2010

***Challenge:** Pray and give to the Lord 7% or more and experience the goodness and faithfulness of God.
~100% of what we have is the Lord's.

I Have Hidden Your Word Psalm 119:11

All men will hate you because of me,
but he who stands firm to the end will be saved.
Matthew 10:22
