

“Living a life of peace and contentment requires an acceptance of life's uncertainties. There are things beyond our control that no amount of worrying will ever change. The path to acceptance of this uncertainty is a life with God. Since nothing happens out of God's awareness, He knows what we face and will not leave us to face it alone. His constant presence reassures us that we can embrace an uncertain future...we must not be passive in placing our confidence in God. The life of faith is active and requires partnering with Him in all that we do. Peace and rest come when we submit our lives to Him and actively walk out our faith. Along the way we build our skills of problem-solving, seek wisdom, ask for help, practice self-care, walk in obedience and live a centered life.” Dr. Linda Mintle.

***Challenge:** Pray and give to the Lord 10% or more and experience the goodness and faithfulness of God.
