Think About It

"Ownership is the thing that makes dying hard. I think of Barb, the dogs, the house, and my very life as mine, and it feels like they're being taken from me. But if I willingly let go, surrendering them all

to the God whose they are in the first place, I'm not stepping back from love. I can love all the more because my heart is not clogged with a desperate greed.” -Andrew Budek-Schmeisser
