Caring Pregnancy Center Mason City

Our baby bottle Lenten offerings brought in \$1539.31 to help save the lives of the unborn and prevent emotional trauma to mothers from having an abortion. It also provides countless hours in life counseling with women facing a difficult or unwanted pregnancy. The CPC provides ultrasounds so mothers can see their unborn child. Of the 1078 ultrasounds provided twelve went on to have abortions, forty-five were never heard from and 1021 decided to bring their baby to term. That's 95% success rate, something to thank God for and know you played a part in their decision. It also helps push back the wall of darkness in our culture. Thank you for making this a wonderful success. We will do this again next Lenten season.
