Missions report: Metro Hope Ministries

They are a residential, Christ-centered, drug and alcohol recovery program serving mothers and their children, women, and men in the Minneapolis area. Their programs focus on providing healing and hope for the whole family since 1926.

Many of their residents are at the end of their options. Most have exhausted their support systems, lost their homes and are unable to support themselves or their families.

At Metro Hope for a season of their lives, thousands of men, women and children in our programs have encountered Jesus and the hope He gives.

They are a restorative recovery ministry providing real help and lasting hope for the entire family in a grace filled environment through Jesus Christ.

There is NO requirement for a resident to be a Christian when entering or graduating their 5-12 month programs, we love everyone where they are.
