

## Pilot Knob Lutheran Church Communique

*This is the Day*

November 12, 2025

---

Perspective can change everything, and it comes down to our choice. You've heard it before; We can look at a glass and see that it is either half full or half empty. One is a positive outlook and one is negative, and both perspectives are correct.

Psalm 118:24 "This is the day the Lord has made, let us rejoice and be glad in it." No qualifications are given to rejoice other than God has given us another day to live for Him and know His compassion and grace. Some days we may need to look really hard to rejoice and be glad. When those days come begin by offering praise for who God is and express appreciation for all He has done, is doing even if it is unseen and will do. Sometimes when the start of your day is to going well and you don't feel like praying, stop. Sing a song of praise such as Holy, Holy, Holy or How Great Thou art or your favorite song that offers praise or thanks. It does wonders to shift perspectives. It helps clear the mind of negative thoughts and opens our eyes to all God has blessed us with.

Rejoice in the Lord always, again I say rejoice.
