

Getting to Know Our Church Family

Darryl and Deb Delzer came to Pilot Knob Lutheran Church when their former church became very liberal, and they did not benefit from what the church was preaching from the pulpit. What they like best about PKLC is that the people are like one big family.

Darryl and Deb met on a blind date when they were younger and created a home where Darryl was employed by Winnebago Industries for 38 years and Deb was employed as a Registered Nurse for 49 years.

Their current hobbies include quilting, crafts, and flower gardens for Deb, fishing, hunting and gardening for Darryl to keep them busy. Deb enjoys listening to all the Christian songs and has no one favorite song. The person that Deb would like to be able to spend one day with is Charlie Kirk.

Favorite Bible verses/person from the Bible for Deb, from Matthew 9:20-22, Mark 5:25-34, and Luke 8:43-48, is the woman who touched Christ's robe and was healed. She would like to spend a day with her to visit with her about her faith. Deb would like to make everyone a Christian Conservative if she could do anything and money was not a problem. She also wants the PKLC family to know that they love them.

Darryl's most influential person in his life is his Uncle Ralph. Deb's most influential person in her life is her dad. She was able to make negatives in her life positive such as her work ethic, to treat others with respect, and to be honest and fair due to his examples.

Welcome to our church family Darryl and Deb!
